July 24, 2011

Dear Business Manager or Owner,

The Invisible Disabilities Association (IDA) seeks your support in helping us reach out to the chronic illness and disability community. On 10/02/11, the Denver Marriott South will be hosting our 4th Annual Honors Banquet and Auction. Last year was quite successful with over 140 people in attendance. We are requesting area businesses to donate goods and services for our Silent Auction to be held at this event. www.HonorsBanquet.com

IDA is a 501(c)(3) non-profit organization which encourages, educates and connects people and organizations touched by illness, pain and disability here in the Denver Metro Area, throughout Colorado and around the nation. Visit our website at www.InvisibleDisabilities.org to learn more about our organization.

Our Honors Banquet and Auction is our major fundraiser each year. This event can only be successful through contributions from generous donors like you. Please complete the enclosed donation form, including an estimated value of your gift. Your company name will appear in our program guide for the event and you will be recognized at the auction tables.

We believe this is a great opportunity for you to reach your clientele. Many of the attendees at our Honors Banquet and Auction will be from the metro Denver and Colorado Springs communities. These are people who travel, lodge, play, dine and shop in this area. Make sure your company reaches these people by sponsoring IDA through your donation.

We hope you will support our efforts to create a world where people living with illness, pain and disability will be INVISIBLE NO MORESM!

Sincerely,

Wayne R Connell
Founder & President
